---------	-----------	---------	-----	----------	--------

- **4.1 General Treatment:** Unless otherwise indicated in **Part 9, Nonstandard Plan Provisions**, Trustee's commissions and all allowed priority claims, including arrearage claims on domestic support obligations, will be paid in full without interest through Trustee disbursements under the plan.
- **4.2 Trustee's Fees:** Trustee's fees are governed by statute and orders entered by the Court and may change during the course of the case. The Trustee's fees are estimated to be **8.00** % of amounts disbursed by the Trustee under the plan and are estimated to total **6,499.20**
- **4.3 Debtor's Attorney's Fees.** (Check one, below, as appropriate.)

Debtor's Attorney's Fees Requested or to be Requested, Paid Prior to Filing, and to be Paid through the Plan (and check one of the following, as appropriate).

Except to the extent that a higher amount is allowed by the Court upon timely application, or a lower amount is agreed to by the attorney, the Debtor's attorney has agreed to accept the "standard base fee," as described in Local Rule 2016-1(a)(2), for services reasonably necessary to represent the Debtor before the Court through the earlier of confirmation of the Debtor's plan or the first 12 months after this case was filed. The amount of compensation requested does not exceed the allowable "standard base fee" as set forth in § 2016-1(a)(1) of the Administrative Guide.

The total amount of compensation requested is $\frac{4,950.00}{}$, of which $\frac{1,500.00}{}$ was paid prior to filing. The Debtor's attorney requests that the balance of $\frac{3,450.00}{}$ be paid through the plan.

APPENDIX: Definitions.

The amount the Debtor proposes to pay per month as pre-confirmation "adequate protection" payments in
accordance with 11 U.S.C. § 1326(a)(1)(C) and Local Rule 3070-1(c).
The Administrative Guide to Practice and Procedure, a supplement to the Local Rules, which facilitates
changes in practice and procedure before the Court without the necessity for revision to the Local Rules. The
Administrative Guide may be found at the following Internet URL:
http://www.nceb.uscourts.gov/sites/nceb/files/AdminGuide.pdf. As used herein, the term refers to The
Administrative Guide in effect as of the date of the filing of the debtor's petition.
The mandated length of a Debtor's plan. Debtors whose annual median income is above the applicable state
median income, must propose 60-month plans, and below median income debtors are not required to propose
a repayment plan longer than 36 months. Either may propose a shorter plan only if the plan will repay 100%
of all allowed claims in full in less than the "applicable commitment period." Below median income debtors
may propose a plan longer than 36 months, but not longer than 60 months, if the Court finds cause to allow a
plan longer than 36 months. See § 1.4, above.
The total monetary amount necessary to cure all pre-petition defaults.
The Debtor intends to avoid the lien of a creditor in accordance with 11 U.S.C. § 506(d) and In re Kidd, 161
B.R. 769 (Bankr. E.D.N.C. 1993).
The Federal Rules of Bankruptcy Procedure.
The estimated amount of the creditor's claim against the Debtor. Absent a sustained objection to claim, the
total amount listed by a creditor as being owed on its timely filed proof of claim shall control over any
amount listed by the Debtor in this plan.
Description of the real property or personal property securing each secured creditors' claim.
The regular monthly mortgage payment that is to be made by the Trustee when a mortgage claim is proposed
or required to be paid through the plan disbursements. (See Local Rule 3070-2). The number of monthly
"conduit" payments to be made by the Trustee will be equal to the number of monthly payments proposed
under the plan.
The United States Bankruptcy Court for the Eastern District of North Carolina.
The Debtor intends that the amount to be paid in satisfaction of a secured claim be determined by determining
the "value" of the secured creditor's "collateral," or what the "collateral" is worth, under 11 U.S.C. §506(a)
[which the Debtor asserts is the amount shown in § 3.3, under the chart column headed, "Value of
Collateral"], and amortizing and paying such "value" at the interest rate proposed in the chart column headed,
"Int. (%)," over the life of the Debtor's plan. Any remainder of the creditor's total "claim amount" is allowed
and treated as an unsecured claim. See §§ 1.1, 3.3, and 7.1.
Whether the Debtor intends to pay the amount in "arrears" on any claim. With respect to a mortgage claim
secured by the Debtor's principal residence, if the Debtor proposes a cure through mortgage loan
modification, such intention is indicated in § 3.1. Otherwise, mortgage "arrears" will be cured through the
chapter 13 plan disbursements unless the Debtor indicates a different method to cure under § 3.1. With respect
to other secured claims being paid directly by the debtor or an unexpired lease or executory contract that the
Debtor proposes to assume, if the debtor intends to cure "arrears," these "arrears" will be cured through the Trustee's disbursements under a confirmed chapter 13 plan unless the Debtor indicates otherwise in § 3.2.
With respect to "arrears" owed on a Domestic Support Obligation [defined in 11 U.S.C. § 101(14A) and
addressed in § 4.4, below], these "arrears" will be cured through the Trustee's disbursements under and by the
end of the confirmed plan.
The individual or the married couple who filed this bankruptcy case, whose name or names are found at the
top of the first page of this chapter 13 plan. The term "Debtor" as used in this plan includes both debtors if this
case was filed by a married couple.
The Debtor proposes to make all post-petition payments on the obligation directly, after the timely filing of a
claim by or for the creditor. Disbursements to creditors secured by a lien on the Debtor's principal residence
are subject to the provisions of Local Rule 3070-2.
